Company Name	Unique Features
21st Century Pallets Corp.	Interlockable stacking, lightweight and load securing design
Airdex	Extremely lightweight, reduce worker's comp costs/ideal for air freight
Alex Pallet Systems	Standard and Custom design delivers a strength-to-weight ratio
All Service All Packaging Inc. (ASAP)	Heavy steel and copper loads
Allied Plastics, Inc.	Customization
American Pallet & Packaging, Co.	Double-decked, light duty export pallets
Atlas Material Handling, Inc.	Low combustability
Buckhorn Inc.	Large catalog of various pallets and options
Cadillac Products, Inc	Dura-Grip® technology increases coefficient of friction tenfold
Cargotainer	Can easily be turned into a container, nesting space saver
Corrugated Pallets Inc.	Unique hardboard runner design developed for supporting heavy loads
Creative Techniques	Design, engineer, and test to meet customer specifications
Decade Products	Environmentally friendly reground products
DIC International	Unique, lightweight design
Fabri-Form Co.	Custom thermoformed transport packaging
Fibertech, Inc.	Repair and recycle plastic pallets and bins, also make storage lockers
Georg Utz	Rackable hygiene pallets developed for food and pharmaceutical industries
GL Packaging Products	Increasing export pallet market
Gorilla Pallets	Many durable, rackable designs
Granville Composite Products Corp.	ToughPrest yields powerful plastics reinforced with traditionally unused recycled materials,
Green.Tek, Inc	Distribute for Israeli company Polyziv
Hampel Pallets	SteelSpan is specialized steel wire formed into a single sheet of plastic,
Handling Innovations LLC	Offers wide variety of pallets, specializes in export pallets
International Metal Pallet Co.	Cater especially to closed loop systems
Jarke	Metal pallets designed for beverage, pharmaceutical, and grocery industries
<b>LITCO</b>	USDA and reground non-USDA versions
LM Containers (formerly OTD Corp)	Durability is biggest strength
Nelson Company	Light airfreight pallets, low price export pallet
New Pig Corp.	Especially designed for containing chemical spills
NextLife Recycling	Low price, one piece and nestable designs
Novofoam	Extremely lightweight and strong pallet, foam core provides insulation for cold chain
Numatech	Custom corrugated plastic fabricators, specializes in sleeve packs
One Way Solutions	Price and availability
Optilogistics Inc.	Ledge - unique design helps reduce packaging
Orbis Corp.	Industry expertise/have many years of experience
Packaging Unlimited, LLC.	Rackable corrugated pallet design
Pak Rite	Ease of use, nail less product, easy to replace parts
Pallet Kraft NA Corp.	Low cost, lightweight, single use pallets
Pallet Systems of America	Have patent for grating, can make really long pallets
<b>PDQ Plastics</b>	Known for making durable pallets and customer service
Plastic Pallet & Container	Plastic lumber - can be made in any size or configuration without tooling or mold charges
Port Erie Plastics	Low cost, lightweight, export pallet
Pregis	Hexagonal cells engineered for maximum structural strength and cushioning properties
PrimePal LP( <i>Diamond Back Pallet</i> )	Racks 2,800 lbs with no steal and is repairable and lightweight
Protecta-Pack Systems	Customizable corrugated paper pallets
<b>Rehrig Pacific Co.</b>	High pressure injection molded pallet - allows for more advanced designs, uniform thickness.
Reusable Transport Packaging	Specialized consulting & design, focuses on bulk boxes and sleeve packs
Rhino Pallet	Quick turn around and are easily repairable
Robinson Industries	Full service manufacturer offering complete project management with no outsourcing
SA-BE Enterprises, Inc.	Lightweight and durable - designed for reusable applications
SCA Packaging NA	Fabricator makes customized packaging from a wide variety of materials
Schoeller Arca Systems Inc.	Engineering design of pallets -- most are one piece molds/computer designed
Shuert Industries	Custom house will make design to suit individual need
Solplast Inc.	Economical pallet, good quality for money
Specialty Pallets LLC	Lightweight & clean, customers can use rails bundled to unit as load platform
St. Mary's Box Co.	Low cost export and pallet crating system
Stratis Plastic Pallets	Very durable, don't put nitrogen gas in it, which makes it stiffer or more durable
Streator Dependable Mfg.	All packaging is made to order, offers unique pin design for multiple part assortments
Thermodynamics	Rotationally molded pallets
TMF Corporation	One piece, HDPE Structural foam, easily cleanblbe pallets in stock. FM approved pallets stocked.
TransPac Corp.	Are recycled, will buyback if break, will buyback any dunnage, pallets, slipsheets, etc.
U.S. Plastic Pallets & Handling	Specializes only on plastic pallet with supply standing by to ship
UltraTech Intl	Innovators - offers spill containment for outdoor uses, are lockable, can meet storm water regs
Unipal	Extensive product line/custom design
Universal Package Systems	Specialty is fabricating with plastic, metal & foam. Makes unique sleeve pack
Worthington Steelpac	Integrated processor, provide own steel to make pallets.
