Dual Opportunities for Experienced Sales Positions

Established manufacturer and wholesaler of wooden pallets and boxes will provide two positions early in 2012. These positions are available in the Mid-West (Central OH) and New England (Central Connecticut). The territories are currently staffed by long term pallet professionals who will be retiring by the end of 2012.

We are looking for highly motivated individuals that are willing to travel overnight throughout the year.

These established territories provide a sound foundation for growth.

Experience in pallet sales is preferred but not required. Benefits are available and will be negotiated in the compensation package.
